MEMBER (AM) IN THE GENERAL DIVISION OF THE ORDER OF AUSTRALIA

Emeritus Professor Graham Lindsay MORRISON, Paddington NSW 2021

For significant service to science in the field of applied physics, particularly renewable energy and solar thermal technologies.

Emeritus Professor, School of Mechanical and Manufacturing Engineering, University of New South Wales, since 2006; Professor, 1993-retired 2005; Associate Professor, 1986-1992; Senior Lecturer, 1977-1985; Lecturer, 1974-1976.

Founder and Inaugural Director, Solar and Thermal Energy Laboratory, for 26 years; established and managed the outdoor Solar Thermal Test Facility and the Heat Transfer Laboratory used to generate the comparative rating for solar water heating systems to the highest international standards.

Co-Developed the Compact Linear Fresnel Reflector technology for solar thermal power generation, in the early 1990s; resulting in the installation of the first large scale solar thermal energy plant in Australia, in the early 2000s.

Developed software and computer modelling of solar energy systems which has led to the development of the Component Test System Simulation evaluation technique that is used worldwide and is the basis for Australian and New Zealand standards, the United States Solar Rating and Certification System, a European Standard, and a draft ISO Standard.

Commercialisation of his research.

Introduced the first course in solar thermal energy in Australia.

Co-Founder, Ausra Inc (previously known as Solar Heat and Power Pty Ltd), 2006-2010. Ausra relocated to the United States of America in 2007 and began operation of its solar thermal power systems plant and the manufacture of solar equipment in 2008; the facility was the first comprehensive solar thermal manufacturing plant in the USA; Ausra was sold to Areva Solar, a large French energy group in 2010.

Co-Founder, Solar Heat and Power Pty Ltd, 2002.

Current Member, Solar Thermal Energy Committee CS028, Standards Australia; involved in Standards development, since the 1970s; wrote the first Australian Standards on solar hot water systems.

Consultant, Clean Energy Regulator, since 2000; current Technical Auditor; involved in developing Assessment Guidelines; involved in the development of Australian and international standards for the design and construction of solar water heaters.

Consultant and Auditor, Solar Energy Research Program, CSIRO.

Consultant, development of solar energy programs in India and China, United Nations Development Program; evaluated technology development programs in Indonesia.

Research Fellow, School of Applied Physics, University of Sydney, 1997-2004.

Visiting Professor, Mechanical Engineering, Penn State University, State College, USA, 1998.

Visiting Scientist, Joint Research Centre, Commission of the European Communities, Italy, 1990-1991.

Visiting Professor, Solar Energy Laboratory, University of Wisconsin USA, 1983-1984.

MEMBER (AM) IN THE GENERAL DIVISION OF THE ORDER OF AUSTRALIA

Dr Robin Moncrieff MORROW, PO Box 329, Beecroft NSW 2119

For significant service to children's literature, and through leadership roles with a range of professional associations.

Owner/Manager, The Children's Bookshop, Beecroft, 1971-1996; first specialist children's bookshop in New South Wales.
